Kindergarten School Supplies 2019-2020

Supplies

1. Backpack

Your child will need an adequate sized backpack to carry a snack, library book, artwork and newsletters. You will also want to keep a full change of clothes (including underwear and socks) in this backpack.

2. Velcro, non-marking running shoes. The children will keep these shoes at school and wear them inside the school and in the gym. It is a good idea to send shoes that are slightly big for your child as many shoes start to get very snug by Christmas.

3. Lunch bag and snack kit.

4. One sturdy re-usable water bottle to be filled with fresh water each day.

5. Please bring \$35.00 on the day of your interview with the teacher (this includes the back and forth folder). The teacher will use this to purchase the remainder of the school supplies needed. Cheques are made payable to SD 68.

**** Your child's name should be on all belongings brought to school****

PRIMARY—Grades 1, 2 and 3

In order to ensure all primary students have the same supplies as the ones requested by the teachers, the teachers will be purchasing your child's school supplies. Please be assured they will get the best prices and quality.

Your cost to cover supplies for the 2019/2020 school year will be \$30.00 for students in Grades 1-3. In addition to this the planner is \$7.00 (if you did not buy one in June then this money will be payable in September. There may be a few items that need to be replenished through the year at your cost. A cheque payable to SD 68 (preferred method of payment), or cash, can be passed along to your child's teacher at the start of the year.
